

Risk Assessment

Company / Organisation: Kings Church Amersham

Assessor: Adrin Abramian

Activity / Task Complete the relevant details of the activity being assessed

Oasis

Hazards All hazards associated with the activity should be entered here. *(See over for list of risks)*

Environmental—tripping, falling. Being hurt using equipment incorrectly. Allergies to food items or craft consumables. Being hurt by broken toys. Scalding by hot drinks. Covid 19 Spread and contamination.

Those at risk

Staff, public and others

Registered children, parents/carers and volunteers

Current Control Measures List control measures currently in place to minimise risk

Online registration. Children remain in the care of their parent/carer at all times whilst on the premises. Toys regularly checked for functionality and broken/worn ones replaced. Parents/carers are asked to be vigilant with carrying hot drinks.

With the current controls the risk is:

(please circle the appropriate risk level)

Unacceptable

Further controls are required

Adequately controlled

Further control measures required. List further action required to adequately control risks

Provide Anti-bac wipes to clean items regularly

Social distancing guidelines to help keep conversations to a minimum inside and to keep contacts at a distance from one another.

Removed all refreshments.

Clear guidelines set out for the parents to follow to ensure good social distancing.

Rotation of toys and cleaning of toys after and before a session to reduce the risk of spreading covid-19.

All soft toys removed so all items can be easily cleaned.

Temperature check and contact details collected before entering a session.

While inside each person must wear a face mask and must anti-bac hands or preferably wash hands on arrival.

Ensure anti-bac wipes supply is out of reach of children.

The group numbers have been restricted to align with Government guidelines
