

Look to You

Key of F

KCA Worship, Ben Dear, Tom Nicholls, Joseph Watt

Verse 1:

I look to You for every fear to fade away
I look to You to see the face of perfect love again
I look to You for every tear to fall away
I look to You to hear the voice of comfort once again

In You I see love never ending, peace all consuming
A hope that restores my soul

A home I can call my own
